

THE MASTER CHRONOLOGY

After 2½ years, 5,800 pages and 2.2 million words, it is done—until the updates become available in November 2009, 2011, and 2013, *which will be sent automatically*. For now, it is the equivalent of twenty books or 40 years of *JFK/Deep Politics Quarterly*.

This project is the result of thousands of hours of work. Last summer, May 1 to September 7, I was more than 10 miles from home for a total of only 9 hours; it was every day, all day. There was simply too much to remember to allow myself the luxury of taking a day off.

This *Chronology* was created for the subscribers of *JFK/Deep Politics Quarterly* only; it will make its way into libraries if people want copies sent to libraries of their choice. Please carefully review the options listed below; the editor of the *Chronology* needs to re-coup 2½ years of income and continue to afford safe storage of Jay Harrison's archives.

The cost of the *Chronology* is \$125, but if paid in April, 2008, it is \$100. That is a “thank you” for the many readers who are always prompt in their renewals of *JFK/DPQ*. **There will be twenty coupons for 1-year's free journals in the “April” payments. Please send it back at renewal time.**

Please note: If you “sponsor” a subscriber (you pay \$26 for yourself and \$18 for an interested friend), your cost is the “April, \$100” plus \$25 for (each of) the friend(s). Make checks payable to Walt Brown.

_____ I am enclosing \$100 for complete payment in April.
